PUBLIC WORKS DEPARTMENT
2021 Pavement Rehabilitation Project

Public Workshop

February 24, 2021

Real-Time Public Comment Through Zoom Webinar

- Members of the public who are attending the public workshop through the City's Zoom Webinar platform (through the link provided by the City) will have the option of providing real-time public comments.
- To make a public comment through this platform, please use the "Raise your Hand" feature in order to request for a turn to make a public comment during the designated public comment time.
- Once prompted for your turn, City staff will unmute your microphone. Depending on the number of members of the public who are requesting for public comment, an allotted time of up to 3 minutes per person is typically provided for public comment. At the end of your public comment, City staff will once again mute your microphone.
