

Junior Lifeguard/Parent Contract 2021

I _____ (Junior Lifeguard's name) agree to come prepared to Junior Lifeguards every day with a positive attitude. I agree to come ready to workout every day, which includes stretching, running and swimming. I will come prepared each day, on time, in uniform, with sunscreen and water. I will follow social distancing rules and wear my mask when required. If I cannot attend Junior Lifeguards or cannot participate because I am sick or injured, I will have my parents e-mail Leilanies@ci.carpintiera.ca.us

If I do not participate in all of the daily activities, with a positive attitude, I understand that I will get a write up and my parents will be notified. If I want to participate in competitions I understand that I must make my best effort to be present each day in order to try-out for teams and practice for my events. I have read the Program Overview and agree to abide by what is expected of me. I want to have a fun, positive, and active summer at the beach.
