City of Carpinteria

Administrative Services Department

5775 Carpinteria Avenue
Carpinteria, California 93013
805-684-5405

February 28, 2022

Honorable Mayor, Members of the City Council, and Citizens of the City of Carpinteria, California:

State law requires all general-purpose local governments, within six months of the close of each fiscal year, to publish a complete set of financial statements presented in conformity with generally accepted accounting principles (GAAP) and audited in accordance with generally accepted auditing standards by a firm of licensed certified public accountants. Pursuant to that requirement, the City of Carpinteria (City) is pleased to submit its Annual Comprehensive Financial Report (ACFR) for the fiscal year ended June 30, 2021.

Management assumes full responsibility for the completeness and reliability of the information contained in this report, based on comprehensive framework of internal control that it has established for this purpose. Because the cost of internal control should not exceed anticipated benefits, the objective is to provide reasonable, rather than absolute, assurance that the financial statements are free of any material misstatements.

While traditionally addressed to the City Council, this report is also intended to provide relevant financial information to the citizens of the City of Carpinteria, City staff, creditors, investors and other concerned readers. We encourage all readers to contact the Administrative Services Department with any questions or comments concerning this report.

Moss, Levy & Hartzheim, LLP, Certified Public Accountants, has issued an unmodified (“clean”) opinion on the City of Carpinteria’s financial statements for the fiscal year ended June 30, 2021. The independent auditor’s report is located at the front of the financial section of this report.

GAAP requires that management provide a narrative introduction, overview, and analysis to accompany the basic financial statements in the form of Management’s Discussion and Analysis (MD&A). This letter of transmittal is designed to complement the MD&A and should be read in conjunction with it. The City’s MD&A can be found immediately following the report of the independent auditor.

PROFILE OF THE GOVERNMENT

The City of Carpinteria is a general law city incorporated in 1965. The City is located in Santa Barbara County on the Central Coast of California about 100 miles north of Los Angeles. The City is within about ten minutes drive time to the downtown area of the City of Santa Barbara and is a part of a coastal region visited annually by substantial numbers of tourists seeking to enjoy the area's moderate climate, beaches, active recreational opportunities, fine restaurants, and the relaxing atmosphere unique to coastal communities.

The City currently has an estimated population of 13,361 individuals, and most of the City is residential. The City's population has experienced a growth of 5.5 percent from prior year. New development occurs primarily through small infill projects as major commercial and industrial development is constrained by available land and policies and regulations intended to preserve and protect coastal resources.

City of Carpinteria
Letter of Transmittal
For the Fiscal Year Ended June 30, 2021

The City operates under a council-manager form of government. Policy making and legislative authority are vested in the City Council consisting of five members elected at-large to four-year staggered terms. The Council is responsible, among other matters, for passing ordinances, adopting the City budget, appointing committees, and hiring the City Manager and City Attorney. The City Manager is responsible for carrying out the policies and ordinances of the City Council, appointing other employees and otherwise managing daily operations of the City.

The City provides a range of municipal services including law enforcement, land use and development review and permitting; construction and maintenance of City streets, storm drains, bridges and similar infrastructure type assets; park maintenance and recreation programs.

The City's annual budget serves as the foundation for the City of Carpinteria's financial planning and control system. All departments of the City submit requests for appropriations to the City Manager each year. The City Manager uses these requests as a starting point for developing a proposed budget and presents a proposed budget to the City Council. The Council considers and adopts the budget at public meetings in June. The budget is adopted by fund, function, department and object. The Council periodically reviews the City's actual financial activity in relationship to the original budget, and, as necessary, amends the original budget to reflect changing conditions.

The General Fund, the Capital Improvements Fund, the Measure A Fund, and the Revolving Fund, all deemed major funds under the reporting standards, are presented as Required Supplementary Information in a separate section of this report immediately following the notes to the financial statements. For the City's other governmental-type funds, a budget to actual comparison schedule is presented as optional information in the section of this report containing combining financial statements and individual fund schedules.

LOCAL ECONOMY

The City is located in a beautiful area of the Central Coast, and the City limits encompass beaches on the Pacific Ocean. Several lodging establishments, fine restaurants, a downtown with shops reflecting an attractive and enjoyable small-town environment are within walking distance of the City's beaches. About 92 percent of the City's general fund revenues come from the local hotel bed tax, sales tax revenues, franchise fees, and local property taxes. Due to the novel coronavirus, COVID-19 global pandemic, state and local agencies, including the County of Santa Barbara and the City of Carpinteria, have declared states of emergency and implemented various health protection measures that continue to impact tourism and place certain restrictions on business operations. The stay-at-home orders, which include postponing or canceling non-essential gatherings intended to protect all individuals and slow the further spread of COVID-19, were the primary reason for the decrease in franchise taxes, and declines are expected to continue into the unforeseen year with the pandemic.

In FY 2021, increases occurred in several major revenue categories, including sales tax, at \$557 thousand or 11.8%, property tax, at \$253 thousand or 5.4%, and transient occupancy tax, at \$186 thousand or 9.2%. These were partially offset by \$68 thousand or -9% decrease in franchise fees due to a double payment recorded in previous year and a decrease in hauler service fees. Despite improvements in revenues in FY2021, the City remained in recovery mode.

City of Carpinteria
Letter of Transmittal
For the Fiscal Year Ended June 30, 2021

LONG-TERM FINANCIAL PLANNING AND MAJOR INITIATIVES

In 2017 the City adopted a Five-Year Financial Plan that quantified revenue shortfalls in the context of the City's service demands and has served as a guide for the City's major initiatives. In 2018, the City took several actions to implement the plan including creating a Revenue Policy change, establishing a Pension Trust Fund and requesting voter approval of a revenue increase. Voters approved the local sales tax measure in 2018, which became effective April 1, 2019. The new sales tax revenue is generating just over \$557 thousand annually and has helped to address the funding gap identified in the Plan. In addition to this revenue, the City also has about \$2.3 million in the Capital Improvements Fund, \$1.7 million in the Measure A Fund, and \$161 thousand in the Road Maintenance Rehabilitation Fund. These monies will specifically be used for future projects, mainly street infrastructure.

In 2017 the City adopted a Five-Year Capital Improvement Program and identified \$303 million in capital projects to be completed over the next 20 years. These include about \$33.5 million for alternative transportation, \$15.6 million for general facilities, \$208 million for Highway 101 interchanges and bridges, \$3.1 million for parking facilities, \$9.6 million for parks and recreation facilities, \$20.3 million for storm drain facilities, \$12.5 million for streets and thoroughfares, and \$525 thousand for traffic control facilities.

AWARDS AND ACKNOWLEDGEMENTS

The Government Finance Officers Association (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the City of Carpinteria for its Annual Comprehensive Financial Report (ACFR) for the fiscal year ended June 30, 2020. In order to receive this award, the City published an easily readable and efficiently organized ACFR. This report satisfied both GAAP and applicable legal requirements. A Certificate of Achievement is valid for a one-year period only. The State Controller's Office (SCO) changed the name of the Comprehensive Annual Financial Report, beginning with the report dated June 30, 2020. We believe that our current Annual Comprehensive Financial Report (ACFR) continues to meet the Certificate of Achievement Program's requirements and we are submitting it to the GFOA to determine its eligibility for another certificate.

I wish to acknowledge the excellent participation and professional contribution of the finance staff in the preparation of this document, in particular Senior Financial Analyst, Rod Baltazar, Accounting Technician, Alexiss Martinez, and Account Clerk, Esteban Luna. I would also like to express my appreciation to all departments within the City who provided assistance and support.

Sincere appreciation is also expressed to the City Manager, Dave Durflinger, and the members of the City Council for their support in planning and conducting the financial operations of the City of Carpinteria in a responsible and progressive manner.

Sincerely,

Licette Maldonado

INDEPENDENT AUDITORS' REPORT

City Council of the City of Carpinteria
Carpinteria, California

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the City of Carpinteria, as of and for the fiscal year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the City of Carpinteria, as of June 30, 2021, and the respective changes in financial position, for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 14 through 26, the budgetary information on pages 62 through 63, the schedule of proportionate share of net pension liability and related ratios on page 64, the schedule of pension contributions on page 65, the schedule of changes in OPEB liability and related ratios on page 66, and the schedule of OPEB contributions on page 67 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational,

economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquires of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Carpinteria's basic financial statements. The introductory section, statistical section, and the combining nonmajor fund financial statements and nonmajor fund schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining nonmajor fund financial statements and nonmajor individual funds schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements and schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The introductory section and statistical section has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 16, 2022, on our consideration of the City of Carpinteria's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

City of Carpinteria

Management's Discussion and Analysis

Fiscal Year Ended June 30, 2021

This analysis of the City of Carpinteria's (City) financial performance provides an overview of the City's financial activities for the fiscal year ended June 30, 2021. It is intended to be read in conjunction with the accompanying transmittal letter, the basic financial statements, and the accompanying notes to those financial statements.

A. FINANCIAL HIGHLIGHTS

- ♦ At June 30, 2021, the City's net position (excess of assets and deferred outflows over liabilities and deferred inflows) was \$41.0 million. Unrestricted Net Position reported a position of \$1.5 million due to the changes in assumption of Government Accounting Board (GASB) Statement 75 (see Other Information Note 4, Section E Other Post-Employment Benefits).
- ♦ Revenue from all governmental activities of \$18.4 million decreased by \$3.6 million, or -16.4%, compared to prior fiscal year. Program revenues decreased by \$98 thousand, or -2.1% and general revenue decreased by \$3.5 million, or -20.2%. This was primarily due the effect of revenue from one-time to reimbursements for the City Hall Remediation & Remodel in the prior year.
- ♦ Expenses for all governmental activities of \$14.5 million decreased by \$620 thousand, or -4.1%, compared to prior fiscal year. General Government decreased by \$1.5 million, or -22.1%, Public Works and Streets increased by \$783 thousand, or 33.5%, and Parks and Recreation increased by \$122 thousand, or 7.5%. The City's total net position therefore increased by \$4.4 million, or 12.2%, over the course of this year's operations after conducting all City operations and programs.
- ♦ The City's governmental funds reported a combined ending fund balance of \$18.4 million, which is an increase of \$1.3 million compared to prior fiscal year. The ending fund balance is primarily identified as: \$35 thousand Nonspendable (0.2%), \$7.6 million Restricted (41.4%), \$5.8 million Committed (31.3%), \$3.6 million Assigned (19.8%), and \$1.4 million Unassigned (7.4%).
- ♦ At the end of the 2020/21 fiscal year, Unrestricted Fund Balance (which includes Committed and Unassigned components of fund balance) in the General Fund totaled \$7.2 million, or 58.6%, that was available for ongoing operations. When adjusted for the committed component of the general fund balance, the amount available for ongoing operations at the discretion of the City is reduced to \$1.4 million, or 11.7%.
- ♦ Prior period adjustment was made in the 2020/21 fiscal year in the amount of \$587 thousand to adjust prior year pension stabilization account balance and to adjust fixed asset listing (see Prior Period Adjustment Note 5).

B. OVERVIEW OF FINANCIAL STATEMENTS

The following discussion and analysis are intended to serve as an introduction to the City's basic financial statements, which are comprised of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to basic financial statements.

City of Carpinteria
Management's Discussion and Analysis
Fiscal Year Ended June 30, 2021

B. OVERVIEW OF FINANCIAL STATEMENTS, Continued

The basic financial statements include the City (primary government) and all legally separate entities (component units) for which the government is financially accountable. The City's component unit consists of the following: Carpinteria Public Improvement Corporation. This component unit has been included in the basic financial statements as an integral part of the primary government using the blended method.

Government-Wide Financial Statements

Government-wide financial statements provide readers with a broad view of the City's financial condition using the accrual basis of accounting, which is similar to the accounting method used by the majority of private-sector companies.

The Statement of Net Position presents information on all of the City's assets (including infrastructure) and deferred outflows, as well as all liabilities (including long-term debt) and deferred inflows, with the difference reported as net position. Certain interfund activities have been eliminated as prescribed by GASB Statement No 34. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.

The Statement of Activities presents information showing how the City's net position changed during the fiscal year. All of the fiscal year revenues and expenses are taken into account and all changes in net position are reported as soon as the underlying event occurs, regardless of timing of related cash flows.

Governmental activities of the City are mostly reported in this category, including public safety, general administration, public works, and parks and recreation. Property, business license, transient occupancy and sales taxes, charges for services, interest income, franchise fees, and state and federal grants finance these activities. The government-wide financial statements can be found on pages 29-34 of this report.

Fund Financial Statements

Fund financial statements provide readers with detailed financial information about a city's major funds. Some funds are required to be established either by state law or by bond covenants, while other funds are established by management to control and manage cash flow for particular purposes, or to demonstrate that legal requirements or policy directives for using certain taxes, grants and other resources have been met. The City uses fund accounting to maintain control over resources that have been segregated for specific activities or objectives and to ensure and demonstrate compliance with finance-related legal or contractual requirements. The government activities are prepared using the current financial resources measurement focus and the modified accrual basis of accounting.

B. OVERVIEW OF FINANCIAL STATEMENTS, Continued

Fund Financial Statements, Continued

Governmental Funds – The governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental funds financial statements focus on current financial resources, which emphasize near-term inflows and outflows of spendable resources, as well as balances of spendable resources at the end of the fiscal year. This information is essential in evaluating the City's near-term financial requirements.

To better understand the City's long-term and short-term requirements, it is useful to compare the City's governmental fund statements with the governmental activities in the government-wide financial statements. Reconciliations are provided for both the governmental fund balance sheet and the statement of revenues, expenditures, and changes in fund balances, in order to facilitate this comparison.

The major governmental funds include the General Fund, Capital Improvements Fund, Revolving Fund, and Measure A Fund, which are reported in detail in the governmental fund financial statements. Data from the remaining governmental funds are shown in the aggregate as other non-major funds. Individual fund data for other non-major governmental funds is provided in the form of supplementary information in the report. The governmental fund financial statements can be found on pages 35-40 of this report.

Notes to Basic Financial Statements

The notes provide additional information essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to basic financial statements can be found on pages 41-60 of this report.

Required Supplementary Information

In addition to the basic financial statements, this report also presents certain Required Supplementary Information (RSI), including the City's budgetary comparison schedules for the General Fund and Measure A, schedule of proportionate share of net pension liability, schedule of plan contributions, and schedule of changes in the City's total Other Post-Employment Benefits (OPEB) liability and related ratios. RSI can be found on pages 61-67 of this report.

Supplementary Information

Combining statements and budgetary comparison schedules for non-major governmental funds, comparative schedule of capital assets, schedule of changes in capital assets, and schedule of capital assets used by function and activity are presented immediately following the RSI. Supplementary information can be found on pages 68-92 of this report.

Statistical Section

Statistical tables regarding financial trends, revenue capacity, debt capacity, demographic and economic information, and operating information can be found on pages 93-116 of this report.

City of Carpinteria
Management's Discussion and Analysis
Fiscal Year Ended June 30, 2021

C. GOVERNMENT-WIDE FINANCIAL ANALYSIS

Statement of Net Position

Net position is a useful indicator of the City's financial position over time. For the fiscal year ended June 30, 2021, assets and deferred outflows of resources exceed liabilities and deferred inflows of resources by \$41.0 million. The following is a condensed Statement of Net Position for the fiscal years ended June 30, 2021 and 2020.

City of Carpinteria's Net Position
As of June 30, 2021 and 2020

	Governmental Activities	
	2021	2020
Current and other assets	\$ 23,288,645	\$ 20,772,022
Capital assets (net of depreciation)	32,095,926	28,594,754
Total Assets	<u>55,384,571</u>	<u>49,366,776</u>
Deferred Outflows of Resources	<u>2,117,096</u>	<u>1,836,664</u>
Current and other liabilities	4,454,425	3,108,965
Noncurrent liabilities	10,547,107	9,866,455
Total Liabilities	<u>15,001,532</u>	<u>12,975,420</u>
Deferred Inflows of Resources	<u>1,482,346</u>	<u>1,658,133</u>
Net Position:		
Net investment in capital assets	32,095,926	28,594,754
Restricted	7,425,708	6,421,673
Unrestricted	<u>1,496,155</u>	<u>1,553,460</u>
Total Net Position	<u>\$ 41,017,789</u>	<u>\$ 36,569,887</u>

At June 30, 2021, the largest portion of net position consists of the City's net investment of \$32.1 million (78.2%) in capital assets. This component represents the total amount of funds required to acquire those assets, less any outstanding related debt and accumulated depreciation. The City uses these capital assets to provide services to citizens. The capital assets of the City are not sources of income for repayment of debt as most assets are not revenue generating and generally are not liquidated to repay debt.

An additional portion of the City's net position in the amount of \$7.4 million (18.1%) is subject to external restrictions on how the funds may be used. The remaining net position of \$1.5 million (3.6%) is unrestricted and is due to changes to the City's long-term pension liabilities assumptions and pension retiree benefits that represents 69.7% of the total liabilities.

Net position - beginning of fiscal year	36,569,887	29,485,059
Restatement of net position	586,627	249,585
Net position - end of fiscal year	<u>\$ 41,017,789</u>	<u>\$ 36,569,887</u>

Governmental Activities

Total revenues and expenses for governmental activities were \$18.4 million and \$14.5 million, respectively. Governmental activities increased the City's net position by \$ 4.4 million, compared to an increase of \$7.1 million in the prior fiscal year.

City of Carpinteria
Management's Discussion and Analysis
Fiscal Year Ended June 30, 2021

C. GOVERNMENT-WIDE FINANCIAL ANALYSIS, Continued

Governmental Activities, Continued

Revenue decreased \$3.6 million, or -16.4%, from prior fiscal year due to factors below:

- Other general revenues decreased \$3.9 million, or -87.7%, primarily due to prior year reimbursements for City Hall Remediation & Renovation as well as various capital projects.
- Capital grants and contributions decreased \$582 thousand, or -41.7%, primarily due to prior year reimbursements for Carpinteria Avenue Bridge Project.
- Sales taxes increased \$557 thousand, or 11.8%, primarily due to sales tax growth as a result of reopening the economy compared to prior year, when restrictions on retail business and travel was effective under the COVID-19 public health emergency order.
- Use of money and property decreased \$545 thousand, or -86.8%, primarily due to lower average annual yield driven by the economic impact of COVID-19 pandemic.
- Charges for services increased \$638 thousand, or 52.5%, primarily due to the reopening of the Pool and Veteran's Memorial Facilities as well as development impact fees collected.

Governmental Activities - Revenues by Source
For the Fiscal Year Ended June 30, 2021
(Total Revenue: \$18.4 million)

City of Carpinteria
Management's Discussion and Analysis
Fiscal Year Ended June 30, 2021

C. GOVERNMENT-WIDE FINANCIAL ANALYSIS, Continued

Governmental Activities, Continued

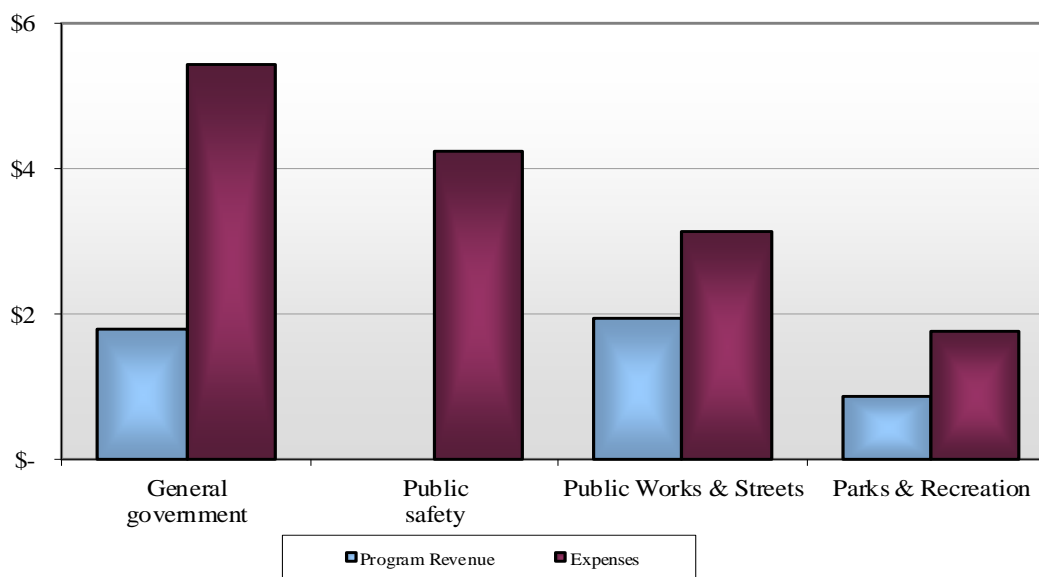

Total expenses for governmental activities were \$14.5 million, \$620 thousand less than the prior fiscal year. General Government had a decrease of \$1.5 million, offset by an increase in Public Works and Streets of \$783 thousand. These decreased costs were primarily due to the completion of City Hall and related operating expenditures and one-time costs incurred as a part of the City's response to the COVID-19 pandemic in FY 2019/20.

Program revenues totaling \$4.5 million offset total expenses as follows:

- Users benefitting directly from programs contributed \$1.9 million in charges for services
- Operating contributions and grants from outside sources or other governments totaled \$1.9 million.
- Capital contributions and grants from outside sources or other governments totaled \$814 thousand.

As a result, total expenses funded by tax revenues, investment income, grants and contributions, and other general revenues totaled \$10.0 million.

Governmental Activities
Revenues and Expenses by Function/Program
For the Year Ended June 30, 2021

City of Carpinteria
Management's Discussion and Analysis
Fiscal Year Ended June 30, 2021

C. GOVERNMENT-WIDE FINANCIAL ANALYSIS, Continued

Governmental Activities, Continued

Functional expense (excluding interest on debt) for the years ended June 30, 2021 and 2020 were as follows (amounts in millions):

	Total Cost of Services		Percent Change 2020-2021	Net (Cost) Revenue of Services		Percent Change 2020-2021
	2021	2020		2021	2020	
General Government	\$ 5.4	\$ 7.0	-22.9%	\$ (3.6)	\$ (5.1)	-29.4%
Public Safety	4.2	4.2	0.0%	(4.2)	(4.2)	0.0%
Public Works and Streets	3.1	2.3	34.8%	(1.2)	0.1	-1600.0%
Parks and Recreation	1.8	1.6	12.5%	(1.0)	(1.3)	-23.1%
Total	\$ 14.5	\$ 15.1	-4.0%	\$ (10.0)	\$ (10.5)	-4.9%

In total, changes in net expenses decreased \$522 thousand, or -5.0% from prior year highlights of the changes are as follows:

- General Government net expense decreased \$1.4 million primarily due to the completion of the City Hall Remediation & Remodel, lower interest yields, and overall reduced one-time operating spending in prior fiscal year due to the pandemic.
- Public Safety net expenses experienced a slight net expense increase of \$17 thousand primarily due to an increase in the annual contract cost for law enforcement services and a prior year credit.
- Public Works and Streets experienced a net expense increase of \$1.2 million primarily due to a decrease in grants revenues and increase in capital outlay.
- Parks, Recreation & Public Facilities net expense increase of \$365 thousand primarily due to the reopening of the Public Facilities and capital outlay.

D. FUND FINANCIAL STATEMENT ANALYSIS

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental Funds

The focus of the City's governmental funds is to provide information on short-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the City's financing requirements. In particular, unrestricted fund balances (unassigned, assigned and committed) may serve as a useful measure of a government's net resources available for spending in the next fiscal year.

At the end of FY 2020/21, the City's governmental funds report a combined fund balance of \$18.4 million, an increase of \$1.3 million from prior fiscal year. The majority of this increase pertains to taxes which increased by 7.6%, offset by expenditure decreased of 14.2%, when compared to prior year. Increases were noted in Sales Tax (6.0%), Sales Tax – Local, (15.3%), Documentary Transfer Tax

City of Carpinteria
Management's Discussion and Analysis
Fiscal Year Ended June 30, 2021

D. FUND FINANCIAL STATEMENT ANALYSIS, Continued

Governmental Funds, Continued

(47.0%), and Transient Tax (9.2%); decrease was noted in Operating Expenditures (36.6%) and Capital Outlay (37.0%). The ending fund balance includes: \$35 thousand is Nonspendable, \$7.6 million is Restricted, \$5.8 million is Committed, \$3.6 million is Assigned, leaving \$1.4 million Unassigned.

The General Fund is the chief operating fund of the City. At the end of FY 2020/21, unassigned fund balance of the General Fund was \$1.4 million, while the total General Fund balance was \$12.3 million. Within the General Fund balance the City has committed \$5.8 million for future projects, asset replacement, pension funding, and contingencies. As a measure of the General Fund's liquidity, it may be useful to compare unassigned fund balance and total fund balance to total expenditures.

At June 30, 2021, unassigned fund balance was 11.5% of the total General Fund expenditures and net transfers, while total fund balance was 98.3% of total expenditures and net transfers. Unassigned fund balance allows the City to address financial uncertainties with flexible fiscal resources.

The City's General Fund balance increased \$1.5 million (13.8%) compared to prior fiscal year. This increase was primarily due to a \$186 thousand increase in Transient Tax as well as, \$145 thousand in Property Tax – Secured and \$102 thousand in Sales Tax, offset by decreases of \$523 thousand in Professional Services and \$424 thousand in Other Operating Expenses.

The City's other major funds; the Capital Improvements Fund (Capital Fund) and Measure A Special Revenue Funds, ended FY 2020/21 with fund balances of \$2.3 million and \$1.8 million, respectively. These monies are restricted for future infrastructure projects related to streets, bridges, highways, parks and other capital assets projects and cannot be used to pay for general governmental operations. In addition, the City's non major governmental funds ended FY 2020/21 with a combined fund balance of \$2.1 million.

E. GENERAL FUND BUDGETARY HIGHLIGHTS

Over the course of the year, the City Council revised the City budget several times. The budget amendments fall into two categories: changes made at the midyear budget review for unanticipated revenues and costs and increases in appropriations to prevent budget overruns.

Actual general fund revenues were \$428 thousand, or 3.0%, under budget. This decrease is due to the American Rescue Plan Act that was included in the budget projections but not recognized as revenue in FY 2020/21.

Actual general fund expenditures were \$486 thousand, or 4.5%, under the final budget projections.

Actual general fund net transfers were \$338 thousand or 13.6% under budget, due to lower-than-expected subsidy contributions to Park Maintenance, Right of Way and Recreation Services Funds.

Overall, the general fund balance was \$653 thousand or 5.6% more than anticipated in the budget. There is also a prior period adjustment of \$257 thousand to correct the pension trust balance.

City of Carpinteria
Management's Discussion and Analysis
Fiscal Year Ended June 30, 2021

F. CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets Including Infrastructure

Capital assets including infrastructure of the City are those assets that are used in the operations of the City's function. At June 30, 2021, net capital assets, net of depreciation, totaled \$32.1 million for governmental activity and are recognized in the government-wide financial statements.

This investment in capital assets includes land, buildings, improvements other than buildings, infrastructure (roads, sidewalks, streetlights, etc.), city pool, machinery and equipment, and construction progress. The total increase in the citywide investment in capital assets for FY 2020/21 was \$3.5 million, or 12.2%.

Major capital asset events included the following:

- Construction in progress had a net increase of \$3.0 million, or 29.8%, over the prior fiscal year, primarily due to Parking Lot #2 & Cactus Lane project which was completed in the prior fiscal year. Other current projects citywide include the 2020 & 2021 Pavement Rehabilitation project, Carpinteria Avenue Bridge, and Rincon Multi-Use Trail Project.
- Vehicle had a net increase of \$110 thousand, or 75.3%, over the prior fiscal year due to the purchase of two new vehicles and prior period adjustment.
- Prior period adjustment of \$329 thousand due to recent internal audit and review of the City assets listing.

See Detail Notes on all Funds Note 3, Section D. Capital Assets in the Basic Financial Statements for additional information.

Long-Term Debt

The City retired in FY 2018 all remaining 1993 Certificate of Participation and has no long-term debt outstanding at year end.

City of Carpinteria
Management's Discussion and Analysis
Fiscal Year Ended June 30, 2021

G. ECONOMIC FACTORS AND NEXT YEAR'S BUDGET

On June 14, 2021, the City Council adopted a \$26 million annual budget for FY 2021/22, which provides for services and projects essential to City of Carpinteria residents. In establishing annual goals and objectives, the City Council affirmed the City's commitment to maintain sound and conservative financial practices, with the objective of ensuring the City's ability to provide a safe and enriched environment, increase effective communication with the community, provide efficient cost-effective services to the public, and to maintain a positive environment for new business and business retention.

Total revenues for FY 2021/22 are \$22.0 million an increase of 17.3% and expenses are \$26.1 million an increase of 38.1%. The City is projecting a modest growth of about 1.7% in property tax revenue, which remains its largest revenue source estimated at a total of \$4.6 million. Sales tax, at \$5.1 million (representing 23.5% of total revenue), reflects an increase of 6.1% increase over the previous year. The projected sales tax revenue continues to improve from the negative impact throughout the pandemic. The mass deployment of the Covid-19 vaccine/boosters and the American Rescue Plan Act of 2021 will further support greater consumer spending.

The budget for personnel services, are \$6.3 million which makes up about 24.0% of all City spending. Other expenditures are projected at \$19.9 million, an increase of 36.2%, primarily due to an increase in budgeted major capital projects in following the City's Capital Improvement Plan. Ongoing projects include the Carpinteria Avenue/Creek Bridge Replacement, and the Rincon Trail, and the 2021 Pavement Maintenance. The federal government's American Rescue Plan Act, is expected to provide funding to the City for FY 2021/22 and 2023, helping to offset loss of revenue and some of the significant pandemic responses cost to the City. However, it remains uncertain at this time if recovery will be fast, slow, or bumpy, and whether or not there will be long-term impacts on City finances.

In summary, the City's financial position remains in good condition and the City reaffirms its commitment to sound and conservative financial practices to ensure the City's fiscal sustainability.

H. REQUEST FOR INFORMATION

This financial report is designed to provide our citizens, taxpayers, customers, investors and creditors with a general overview of the City's finances and to demonstrate the City's accountability for the money it receives. If you have questions about this report or need additional financial information, contact the City of Carpinteria's Administrative Services Director at, 5775 Carpinteria Avenue, Carpinteria, California 93013 or (805) 684-5405. This report is also available online at the City's website at www.carpinteriaca.gov.

Fund Financial Statements

Governmental Funds Financial Statements

GOVERNMENTAL FUNDS FINANCIAL STATEMENTS

General Fund - This fund is used to account for resources which are not required legally or by sound financial management to be accounted for in another fund.

Capital Improvements Fund - This fund is used to account for capital assets acquisition, construction and improvements of capital facilities, including infrastructure, from general government resources, designated developer fees (such as traffic mitigation fees, bridge fees, etc.), and intergovernmental grants. Funds collected under this program may be used only for the purpose collected.

Revolving Fund - The Revolving Fund is used to account for most grants from public or private sources which have been awarded to the City for specific purposes.

Measure A Fund - The Measure A Fund is used to account for Measure “A” funds, the county wide sales tax on motor vehicle fuel which was approved by the voters of the County. The program is administered by the Santa Barbara County Association of Governments. Funds under this program must be used for local transit, street and right-of-way maintenance and improvements and street related capital improvements pursuant to the City adopted Five Year Program of Projects which is updated and reviewed annually.

Other Governmental Funds - This is the aggregate of all the non-major governmental funds.

CITY OF CARPINTERIA

RECONCILIATION OF THE GOVERNMENTAL FUNDS STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES IN FUND BALANCES TO THE STATEMENT OF ACTIVITY FOR THE FISCAL YEAR ENDED JUNE 30, 2021

Total net change in fund balances - governmental funds	\$ 1,049,232
Capital assets are reported in governmental funds as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense. This is the amount by which additions to capital assets of \$3,678,719 exceed depreciation expense (\$506,906).	3,171,813
In the statement of activities, compensated absences are measured by the amounts earned during the fiscal year. In governmental funds, however, expenditures for these items are measured by the amount of financial resources used (essentially the amounts paid). This fiscal year, vacation used exceeded the amounts earned by \$30,602.	30,602
In governmental funds, OPEB costs are recognized when employer contributions are made. In the statement of activities, OPEB costs are recognized on the accrual basis. This fiscal year, the difference between accrual-basis OPEB costs and actual employer contribution was:	94,730
Expenditures for long-term notes receivable are an outflow of resources in the funds but are reported as assets in the statement of net position	(138,397)
In governmental funds, pension costs are recognized when employer contributions are made. In the statement of activities, pension costs are recognized on the accrual basis. This year, the difference between accrual-basis pension costs and actual employer contributions was:	<u>(346,705)</u>
Changes in net position - governmental activities	<u>\$ 3,861,275</u>

The notes to basic financial statements are an integral part of this statement.

City of Carpinteria
Notes to Basic Financial Statements
For the Fiscal Year Ended June 30, 2021

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the City of Carpinteria conform to U.S. Generally Accepted Accounting Principles as applicable to governments. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

A. Reporting Entity

The City of Carpinteria is a municipal corporation governed by an elected five-member City Council. The accompanying financial statements present the government and its component units, entities for which the government is considered to be financially accountable.

The Carpinteria Public Improvement Corporation is a legally separate Corporate Entity for which the City is financially accountable, and it is governed by the elected City Council. The Corporation was formed to provide a method of financing public improvements. The financial activities of the Corporation are blended with those of the City and are reported in the City's governmental funds, and as capital assets of the City and debt obligations of the City. A facility and site lease receivable of the Corporation and a corresponding lease payable of the City have been eliminated from the accompanying financial statements.

B. Government-wide and Fund Financial Statements

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all activities of the City. For the most part, the effect of interfund activity has been removed from these statements. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support. The City has no functions which are reported as business-type activities.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as general revenues. Separate financial statements are provided for governmental funds. Major individual governmental funds are reported as separate columns in the fund financial statements.

C. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes

City of Carpinteria
Notes to Basic Financial Statements
For the Fiscal Year Ended June 30, 2021

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

C. Measurement Focus, Basis of Accounting, and Financial Statement Presentation, Continued

are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due. Assets in governmental funds that do not meet the availability criterion for recognition as revenue in the governmental funds are classified as a deferred inflow of resources as those resources are not available for spending in the current period.

Property taxes, sales taxes, transient occupancy taxes, licenses, and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period.

All other revenue items are considered to be measurable and available only when cash is received by the government. The City reports the following major governmental funds:

The General Fund is the government's primary operating fund. It accounts for all financial resources of the City, except those required to be accounted for in another fund.

The Capital Improvements Fund accounts for development impact fees collected by the City and restricted by City regulation for use only for capital related improvements, primarily infrastructure type assets.

The Measure A fund is used to account for allocations made to the City by the County for use in street related projects.

The Revolving Fund is used to account for grants and allocations made to the City by Federal, State and County governments for special and capital projects.

As a general rule the effect of interfund activity has been eliminated from the governmentwide financial statements. Exceptions to this general rule are payments-in-lieu of taxes and other charges between the City's various other functions of government. Elimination of these charges would distort the direct costs and program revenues reported for the various functions concerned. Amounts reported as program revenues include 1) charges to customers or applicants for goods, services, or privileges provided, 2) operating grants and contributions, and 3) capital grants and contributions, including special assessments. Internally dedicated resources are reported as general revenues rather

City of Carpinteria
Notes to Basic Financial Statements
For the Fiscal Year Ended June 30, 2021

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

than as program revenues. Likewise, general revenues include all taxes.

D. Assets, Liabilities, and Net Position

Deposits and Investments

The City is authorized by its most recent investment policy to invest in the State of California Local Agency Investment Fund; FDIC insured interest-bearing checking accounts; investments permitted by California Law including U.S. Treasury securities. The City's investment policy specifically prohibits any investment resulting in zero interest accrual if held to maturity. Investments in the debt service fund are permitted to be invested in other investments in accordance with the trust agreement. Investments of the City are reported at fair value. The State Treasurer's Investment Pool operates in accordance with appropriate state laws and regulations. The reported value of the pool is the same as the fair value of the pool shares.

Receivables and Payables

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due to/from other funds" (i.e., the current portion of interfund loans) or "advances to/from other funds" (i.e., the non-current portion of interfund loans). All other outstanding balances between funds are reported as "due to/from other funds".

Advances between funds, as reported in the fund financial statements, are offset by a fund balance reserve account in applicable government funds to indicate that they are not available for appropriation and are not expendable available financial resources. All trade and property tax receivables are not shown net of an allowance for un-collectibles.

Property taxes are levied as of March 1 on property values assessed as of the same date. State statutes provide that the property tax rate be limited generally to one percent of market value, be levied by only the County, and be shared by applicable jurisdictions. The County of Santa Barbara collects the taxes and distributes them to taxing jurisdictions on the basis of assessed valuations subject to voter-approved debt. Property taxes are due on November 1 and March 1 and become delinquent on December 10 and April 10. The City recognizes property tax revenues in the fiscal year in which they are due to the City.

Inventories and Prepaid Items

All inventories are valued at cost using the first-in/first-out (FIFO) method. Inventories of governmental funds are recorded as expenditures when used or consumed. Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements using the consumption method.

City of Carpinteria
Notes to Basic Financial Statements
For the Fiscal Year Ended June 30, 2021

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

D. Assets, Liabilities, and Net Position, Continued

Capital Assets

Capital assets, which include property, plant, equipment, and infrastructure assets (e.g., roads, bridges, sidewalks, and similar items), are reported in the applicable governmental-type activities columns in the government-wide financial statements. Capital assets are defined by the government as assets with an initial, individual cost of more than \$ 3,000 (\$50,000 for infrastructure type assets) and an estimated useful life in excess of one year. Such assets are recorded at historical cost, or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated acquisition value at the date of donation. Under the GASB 34 Implementation Rules, the City is classified as a Phase 3 government and is not required to record infrastructure assets existing or acquired prior to July 1, 2002; and the City has not recorded such assets. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed.

Property, plant, and equipment of the City are depreciated using the straight-line method over the following estimated useful lives:

<u>Assets</u>	<u>Years</u>
Buildings and improvements	15 - 40
Public domain infrastructure	50
System infrastructure	50
Vehicles and equipment	5 - 10

Compensated Absences

It is the government's policy to permit employees to accumulate earned but unused vacation and sick pay benefits. There is a liability for a portion of unpaid accumulated sick leave since the City does have a policy to pay certain amounts when employees separate from service with the City. All vacation pay and applicable sick leave is accrued when incurred in the government-wide financial statements. A liability for these amounts is reported in the governmental funds only if they have matured, for example, as a result of employee resignations and retirements.

Pensions and Other Postemployment Benefits

For purposes of measuring the net pension liability (NPL), deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the State of California Public Employees Retirement System (PERS) and additions to or deductions from the PERS fiduciary net position have been determined on the same basis as they are reported by the PERS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms.

City of Carpinteria
Notes to Basic Financial Statements
For the Fiscal Year Ended June 30, 2021

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

D. Assets, Liabilities, and Net Position, Continued

Investments are reported at fair value. The general fund is used to liquidate net pension liabilities.

Pensions and Other Postemployment Benefits, Continued

For purposes of measuring the other postemployment benefit total liability (OPEB), deferred outflows of resources and deferred inflows of resources, and expense associated with the City's requirement to contribute to its OPEB Plan, the City obtains an actuarial valuation of its OPEB plan. The City recognizes benefit payments when due and payable in accordance with the Plan.

Long-term Obligations

In the government-wide financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities statement of net position.

Fund Balances – Governmental Funds

Fund balances for governmental funds are reported in classifications based primarily on the extent to which the City is bound to honor constraints about the specific purposes for which amounts in these funds can be spent. These classifications include (1) non-spendable, (2) restricted, (3) committed, (4) assigned and (5) unassigned amounts. Non-spendable amounts generally are items not expected to be converted into cash such as inventories, prepaid items, and certain long-term receivables. Restricted amounts include those amounts where constraints placed on the use of the resources are externally imposed by grantors, contributors, other governments or by laws and regulations. Committed amounts are those that can only be used for a specific purpose as determined by the City Council. Such committed amounts may be redeployed for other uses only by direction of the City Council. Assigned amounts are fund balance amounts constrained by the City's intent to be used for a specific purpose as determined by the Director of Administrative Services or City Manager. Unassigned amounts are the residual amounts reported in the general fund. The City Council by resolution established a policy that delegates to the City Manager or Director of Administrative Services the authority to establish, rescind or modify assigned amounts. Committed amounts may be established, modified, or rescinded by the adoption of a resolution of the City Council.

When expenditures are incurred for which both restricted and unrestricted (committed, assigned or unassigned) amounts are available, the City considers that restricted amounts would be spent first. When expenditures are incurred for which any class of unrestricted fund balance could be used, the City considers committed amounts would be reduced first, followed by assigned, and then unassigned amounts.

Future Accounting Pronouncements

GASB Statements listed below will be implemented in future financial statements:

Statement No. 87	"Leases"	The provisions of this statement are effective for fiscal years beginning after June 15, 2021.
Statement No. 89	"Accounting for Interest Cost Incurred before the End of a Construction Period"	The provisions of this statement are effective for fiscal years beginning after December 15, 2020.
Statement No. 91	"Conduit Debt Obligations"	The provisions of this statement are effective for fiscal years beginning after December 15, 2021.
Statement No. 92	"Omnibus 2020"	The provisions of this statement are effective for fiscal years beginning after June 15, 2021.
Statement No. 93	"Replacement of Interbank Offered Rates"	The provision of this statement except for paragraphs 11b, 13, and 14 are effective for fiscal years beginning after June 15, 2020. Paragraph 11b is effective for fiscal years beginning after December 31, 2021. Paragraphs 13 and 14 are effective for fiscal years beginning after June 15, 2021.
Statement No. 94	"Public-Private and Public-Public Partnerships and Availability Payment Arrangements"	The provisions of this statement are effective for fiscal years beginning after June 15, 2022.
Statement No. 96	"Subscription-Based Information Technology Arrangements"	The provisions of this statement are effective for fiscal years beginning after June 15, 2022.
Statement No. 97	"Certain Component Unit Criteria, and Accounting and Financial Reporting for Internal Revenue Code Section 457 Deferred Compensation Plans - an amendment of GASB Statements No. 14 and No. 84, and a supersession of GASB Statement No. 32"	The provision of this statement except for paragraphs 6-9 are effective for fiscal years beginning after December 15, 2019. Paragraph 6-9 is effective for fiscal years beginning after June 15, 2021.

City of Carpinteria
Notes to Basic Financial Statements
For the Fiscal Year Ended June 30, 2021

NOTE 2 – STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

A. Budgetary Information

Annual budgets are adopted on a basis consistent with generally accepted accounting principles for all governmental funds except debt service funds. Appropriations lapse at fiscal year-end. The appropriated budget is prepared by fund, function, and department. The legal level of budgetary control (i.e., the level at which expenditures may not legally exceed appropriations) is the fund level. Transfers of appropriations between departments require approval of the City Manager. Transfers within departments may be made by department heads. The Council made several supplemental budgetary appropriations throughout the year. The supplemental budgetary appropriations made in the General Fund were material. Encumbrance accounting is not employed in governmental funds. Expenditures (excluding transfers out) in the Traffic Safety, special revenue fund and exceeded its expenditure budgets by a total of \$1,031.

NOTE 3 – DETAIL NOTES ON ALL FUNDS

A. Deposits and Investments

Deposits and investments on June 30, 2021 consisted of the following:

Cash on hand	\$ 700
Deposits with financial institutions	5,258,685
Investments	<u>11,051,445</u>
Total cash and investments	<u>\$ 16,310,830</u>

Cash and investments are presented on the accompanying basic financial statements, as follows:

Statement of Net Position	
Cash and investments	<u>\$ 16,310,830</u>
Total cash and investments	<u>\$ 16,310,830</u>

Interest Rate Risk - As a means of limiting its exposure to fair value losses arising from rising interest rates, the City's investment policy limits the City's investment portfolio to the State of California Local Agency Investment Fund and to U.S. Treasury bills and notes with a maturity of five years or less at the time of purchase.

City of Carpinteria
Notes to Basic Financial Statements
For the Fiscal Year Ended June 30, 2021

NOTE 3 – DETAIL NOTES ON ALL FUNDS, Continued

A. Deposits and Investments, Continued

Investment Type	Carrying Amount	Remaining Maturity (in Months)			
		12 Months Or Less	13-24 Months	25-60 Months	More than 60 Months
LAIF	\$ 6,383,704	\$ 6,383,704	\$ -	\$ -	\$ -
Fixed income	4,568,500	1,510,398	1,683,836	1,374,266	-
Money market funds	99,241	99,241	-	-	-
Total	<u>\$ 11,051,445</u>	<u>\$ 7,993,343</u>	<u>\$ 1,683,836</u>	<u>\$ 1,374,266</u>	<u>\$ -</u>

Credit Risk - The City's policy is to limit investments to those that are rated in the top two credit ratings by nationally recognized rating organizations. The City's investment in LAIF and mutual funds were unrated.

Investment Type	Carrying Amount	Minimum Legal Rating	Exempt From Disclosure	Rating as of Fiscal Year End	
				AAA	Not Rated
LAIF	\$ 6,383,704	N/A	\$ -	\$ -	\$ 6,383,704
Fixed income	4,568,500		-	-	4,568,500
Money market funds	99,241	N/A	-	-	99,241
Total	<u>\$ 11,051,445</u>		<u>\$ -</u>	<u>\$ -</u>	<u>\$ 11,051,445</u>

Custodial Credit Risk - For an investment, custodial credit risk is the risk that, in the event of the failure of a counterparty, the City will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. The City's investment policy specifies that securities are to be held by a third party, other than the counterparty, in the City's name, whenever possible. Investments in the LAIF and mutual fund are not subject to custodial credit risk as they are not evidenced by specific securities. The U.S. Treasury Notes are held in a separate account in the name of the City.

Fair Value Measurements – Investments– The City categorizes its fair value measurements within the hierarchy established by generally accepted account principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted market prices in active markets for identical assets; Level 2 inputs are significant other observable inputs, and level 3 inputs are significant unobservable inputs. The City has the following fair value measurements at June 30, 2021:

City of Carpinteria
Notes to Basic Financial Statements
For the Fiscal Year Ended June 30, 2021

NOTE 3 – DETAIL NOTES ON ALL FUNDS, Continued

A. Deposits and Investments, Continued

Investments by Fair Value	Total	Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
U.S. Agency Securities	\$ 4,568,500	\$ 4,568,500	\$ -	\$ -
Investments measured at Amortized Cost				
Local Agency Investment Fund	6,383,704			
Money Market Funds	99,241			
Total	\$ 11,051,445			

B. Receivables

Receivables as of year-end for the government's individual major and nonmajor funds in the aggregate, net of the applicable allowances for uncollectible accounts, are as follows:

Receivables	General Fund	Capital Improvements Fund	Revolving Fund	Measure A	Non-Major Funds	Total
Accounts	3,616,429	2,514,039	7,388	184,836	187,610	6,510,302
Long-term note	-	8,303	-	-	421,900	430,203
	\$ 3,616,429	\$ 2,522,342	\$ 7,388	\$ 184,836	\$ 609,510	\$ 6,940,505

C. Interfund Transfers

The composition of interfund transfers of June 30, 2021, is as follows:

Fund	Transfers In	Transfers Out
Major Governmental Funds:		
General	\$ -	\$ 2,148,297
Capital Improvements	2,755,636	14,190
Measure A	-	589,283
Revolving	-	22,794
Nonmajor Governmental Funds:		
Road Maintenance Rehabilitation	-	431,000
Park Maintenance	181,562	-
Tidelands Trust	-	11,560
Right of Way	29,673	-
Measure D	-	130,729
Recreation Services	380,982	-
	\$ 3,347,853	\$ 3,347,853

City of Carpinteria
Notes to Basic Financial Statements
For the Fiscal Year Ended June 30, 2021

NOTE 3 – DETAIL NOTES ON ALL FUNDS, Continued

C. Interfund Transfers, continued

The transfers were made primarily to fund approved projects, provide and to reimburse the general fund for certain capital related and operating expenditures. The most significant transfer was \$1,593,064 from the general fund to the capital improvements fund.

D. Capital Assets

Capital asset activity for the fiscal year ended June 30, 2021 was as follows:

	Balance July, 1 2020	Additions	Deletions	Prior Period Adjustment	Balance June 30, 2021
Governmental Activities					
Nondepreciable capital assets:					
Land	\$ 10,176,390	\$ -	\$ -	\$ -	\$ 10,176,390
Park land site improvements	1,642,754	-	-	139	1,642,893
Construction in progress	9,930,002	3,549,453	-	(589,759)	12,889,696
Total nondepreciable capital assets	<u>\$ 21,749,146</u>	<u>\$ 3,549,453</u>	<u>\$ -</u>	<u>\$ (589,620)</u>	<u>\$ 24,708,979</u>
Depreciable capital assets:					
Buildings	\$ 2,109,396	\$ -	\$ -	\$ -	\$ 2,109,396
Machinery and equipment	1,602,436	32,617	-	180,309	1,815,362
Vehicles	586,990	96,649	-	(90,158)	593,481

Total depreciable capital assets	<u>12,951,693</u>	<u>129,266</u>	<u>-</u>	<u>785,291</u>	<u>13,866,250</u>
Less accumulated depreciation					
Buildings	1,379,739	49,708	-	-	1,429,447
Machinery and equipment	859,783	143,651	-	-	1,003,434
Vehicles	441,399	30,488	-	(133,688)	338,199
Infrastructure	2,040,785	273,471	-	-	2,314,256
City pool and facilities	1,384,379	9,588	-	-	1,393,967
Total accumulated depreciation	<u>6,106,085</u>	<u>506,906</u>	<u>-</u>	<u>(133,688)</u>	<u>6,479,303</u>
Net depreciable capital assets	<u>6,845,608</u>	<u>(377,640)</u>	<u>-</u>	<u>918,979</u>	<u>7,386,947</u>
Net capital assets	<u>\$ 28,594,754</u>	<u>\$ 3,171,813</u>	<u>\$ -</u>	<u>\$ 329,359</u>	<u>\$ 32,095,926</u>

Depreciation expense was charged to functions/programs of the City as follows:

Governmental Activities:	
General government	\$ 327,432
Parks and recreation programs	150,825
Community development	407
Public works	28,242
Total depreciation expense-governmental activities	<u>\$ 506,906</u>

City of Carpinteria
Notes to Basic Financial Statements
For the Fiscal Year Ended June 30, 2021

NOTE 3 – DETAIL NOTES ON ALL FUNDS, Continued

E. Long-Term Liabilities

Changes in Long-term Liabilities

Long-term debt activity for the 2021 fiscal year was as follows:

	Balance July 1, 2020	Additions	Deletions	Balance June 30, 2021	Due Within One Year
Compensated absences	\$ 137,931	\$ 266,231	\$ (296,833)	\$ 107,329	\$ 10,733
OPEB liabilities	1,641,483	126,246	(66,500)	1,701,229	-
Net pension liability	8,100,834	812,125	(163,677)	8,749,282	-
Total	\$ 9,880,248	\$ 1,204,602	\$ (527,010)	\$ 10,557,840	\$ 10,733

The City's general fund is normally used to liquidate the liability for compensated absences.

F. Restricted Net Position and Non-spendable Fund Balances

The \$7,242,762 restricted amount in the governmental activities statement of net position represents amounts to be used only for specific purposes which restrictions are imposed by laws, formal agreements, or other governments. The restricted amounts consist of \$2,139,062 in the Capital Projects Fund, \$330,631 restricted for recycling, \$141,211 restricted for cable television access, \$2,515,979 restricted for streets, \$677,266 restricted for housing, and \$1,438,613 restricted for pension stabilization. Non-spendable fund balances consisted of the following:

Purpose	Governmental Funds
Inventory	\$ 34,960
Prepaid Expenditures	350
	<u>\$ 35,310</u>

The pension stabilization arrangement was established by the City Council formally adopting an enabling resolution and entering into a third-party agreement for the pooled investment of the stabilization funds (an IRS section 115 irrevocable trust). The stabilization funds can only be spent for any pension related purpose. The City may, but is not required to do so, make addition deposits to the stabilization fund.

NOTE 4 – OTHER INFORMATION

A. Risk Management

The City is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters for which the City carries insurance. The City, due to the costs of available coverage, participates in the California Joint Powers Insurance Authority (the Authority).

City of Carpinteria
Notes to Basic Financial Statements
For the Fiscal Year Ended June 30, 2021

NOTE 4 – OTHER INFORMATION, Continued

A. Risk Management, continued

The risk of loss is transferred to the Authority for general liability, workers compensation and property damage claims. The general liability protection for each member is \$50 million per occurrence and \$50 million annual aggregate. The premiums paid by the City are subject to retrospective premium adjustments and refunds based upon the loss experience of all pool members. For workers compensation coverage, the City's protection is provided by the Authority per statutory liability under California Workers Compensation Law. All risk property coverage provided by the Authority has a \$50 million per occurrence limit, generally limited to scheduled property, which for the City was \$8,084,273. The City also obtains from the Authority insurance coverage for earthquake and flood, boiler and machinery, and a blanket fidelity bond. The City accounts for its insurance activities in its general fund. There were no material changes in coverage during the year except to increase the amount of covered scheduled property, no material claims liabilities for which the City is responsible, and no claims exceeding insurance coverage in the last three years.

B. Contingencies and Commitments

Litigation. The City is involved in litigation incurred in the normal course of conducting City business. City management believes that, based upon consultation with its counsel, these cases, in the aggregate, are not expected to result in a material adverse financial impact on the City.

Shoreline Study. The City has entered into a multi-year contract with the U.S. Corp of Engineers to sponsor a study of shoreline storm damage, beach erosion and similar issues. The study is estimated to cost \$ 2.2 million and the City is required to fund 50 percent of the cost. The City's share may be funded with cash or entirely by the City providing in-kind staff services.

C. Law Enforcement Agreement

The City, since 1992, has maintained an agreement with the Santa Barbara County Sheriff's Department to provide law enforcement services to the City of Carpinteria. These services are accounted for in the City's general fund and related expenditures are charged to public safety. The City's Public Employees Retirement Plan (PERS) for police employees pertains only to safety employees employed by the City prior to 1992, and the City made separate current contributions to that Plan based upon the PERS funding arrangements.

D. Public Employee Pension Plans

Plan Description – The plans are a cost-sharing multiple-employer defined benefit pension plan administered by the California Public Employees Retirement System (CalPERS). The CalPERS is governed by a 13-member Board of Administration with six elected members, three appointed members and four ex officio members which include the State Treasurer, the State Controller, the Director of the California Department of Human Services and a designee of the State Personnel Board.

City of Carpinteria
Notes to Basic Financial Statements
For the Fiscal Year Ended June 30, 2021

NOTE 4 – OTHER INFORMATION, Continued

D. Public Employee Pension Plans, continued

Benefits Provided – The CalPERS provides retirement, disability and death benefits. Retirement benefits are defined as 2 percent of the employees final 12 months average compensation times the employee's years of service (2.7 percent for safety employees). Employees with 10 years of continuous are eligible to retire at age 55 (age 50 for safety and 62 for Pepra employees). Employees are eligible for service-related disability benefits regardless of the length of service. Five years of service is required for non-service-related disability eligibility. Disability benefits are determined in the same manner as retirement benefits but are payable immediately without an actuarial reduction. Pre-retirement death benefits equal an employee's final full-year salary. Both plans provide for a 2 percent Cost of Living Adjustment (COLA). The public safety plan is closed to new entrants.

Contributions – Section 20814 of the California Public Employees' Retirement Law (PERL) requires that the employer contribution rates for all public employees be determined on an annual basis by the actuary and shall be effective on the July 1 following notice of a change in the rate. The total plan contributions are determined through the CalPERS annual actuarial valuation process. The actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability. The employer is required to contribute the difference between the actuarially determined rate and the contribution rate of employees. For the measurement period ending June 30, 2020 (the measurement date), the average active employee contribution rate to the PERF-C cost sharing plan ranged from 2 percent to 15.25 percent of annual pay, and the employer contribution rates ranged from 6.9 percent to 11.82 percent. Contributions (employer) to the plans were \$ 783,279 for the fiscal year ended June 30, 2021.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred inflows of Resources Related to Pensions – At June 30, 2021 the City reported a liability of \$5,249,298 for its proportionate share of the net pension liability applicable to its regular employees and a \$3,499,984 net pension liability applicable to its former safety employees. The net pension liability was measured as of June 30, 2020, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of June 30, 2019, rolled forward to June 30, 2020. The City's proportion of the net pension liability was based on a projection of the City's long-term share of contributions to the pension plan relative to the projected contributions of all participating governments, actuarially determined. At June 30, 2021, the City's proportion was 0.08041 percent, compared to 0.07906 percent at June 30, 2020.

For the June 30, 2021 fiscal year, the City recognized pension expense of \$812,125 for its regular employees and \$317,859 for the safety employees' plan. At June 30, 2021, the City reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

City of Carpinteria
Notes to Basic Financial Statements
For the Fiscal Year Ended June 30, 2021

NOTE 4 – OTHER INFORMATION, Continued

D. Public Employee Pension Plans, continued

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 541,917	\$ -
Changes in assumptions	-	49,099
Net difference between projected and actual earnings on retirement plan investments	232,008	-
Changes in proportion and differences between City contributions and proportionate share of contributions	179,258	482,725
City contributions subsequent to the measurement date	783,279	-
	<u>\$ 1,736,462</u>	<u>\$ 531,824</u>

The \$783,279 reported as deferred outflows of resources related to pensions from City contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the plan measurement period ended June 30, 2022. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Fiscal Year Ending June 30,	Amount
2022	\$ (28,653)
2023	171,281
2024	165,824
2025	112,907
	<u>\$ 421,359</u>

Actuarial Assumptions – The total pension liability in the June 30, 2020 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

City of Carpinteria
Notes to Basic Financial Statements
For the Fiscal Year Ended June 30, 2021

NOTE 4 – OTHER INFORMATION, Continued

D. Public Employee Pension Plans, Continued

	Miscellaneous
Valuation Date	June 30, 2019
Measurement Date	June 30, 2020
Actuarial Cost Method	Entry-Age Normal Cost Method
Actuarial Assumptions:	
Discount Rate	7.15%
Inflation	2.50%
Payroll Growth	3%
Projected Salary Increase	Varies by Entry Age and Service
Investment Rate of Return	7.00%
Mortality	Derived using CalPERS' Membership Data for all Funds (1)
Post Retirement Benefit Increase	Contract COLA up to 2.75% until Purchasing Power Protection Allowance Floor on Purchasing Power applies; 2.75% thereafter

- (1) Net pension plan investment and administrative expenses including inflation.
(2) The mortality table used was developed based on CalPERS' specific data. The table includes 15 years of mortality improvements using MP 2016 published by the Society of Actuaries. For more details on this table please refer to the 2017 experience study report.

Asset Class	New Strategic Allocation	Real Return Years 1-10(a)	Real Return Years 11+(b)
Global Equity	50.0%	4.80%	5.98%
Global Fixed Income	28.0%	1.00%	2.62%
Inflation Sensitive	0.0%	0.77%	1.81%
Private Equity	8.0%	6.30%	7.23%
Real Estate	13.0%	3.75%	4.93%
Liquidity	1.0%	0.00%	-0.92%
Total	100.0%		

- (a) An expected inflation of 2.00% was used for this period.
(b) An expected inflation of 2.92% was used for this period.

Discount Rate – The discount rate used to measure the total pension liability was 7.15 percent. To determine whether the municipal bond rate should be used in the calculation of a discount rate for each plan, CalPERS stress tested plans that would likely result in a discount rate that would be different from the actuarially assumed discount rate. Based on the testing, none of the tested plans run out of assets. Therefore, the current 7.15 percent discount rate is adequate, and the use of the municipal bond rate calculation is not necessary. The long-term expected discount rate of 7.15 percent will be applied to all plans in the Public Employee Retirement Fund.

Sensitivity of the City's proportionate share of the net pension liability to changes in the discount rate
– The following presents the City's proportionate share of the net pension liability calculated using the discount rate of 7.15 percent, as well as what the City's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1 percentage point lower (6.15 percent) or 1 percentage point higher (8.15 percent) than the current rate:

	1% Decrease 6.15%	Current Discount Rate 7.15%	1% Increase 8.15%
City's proportionate share of net pension plan liability	\$ 12,859,292	\$ 8,749,282	\$ 5,360,826

Pension plan fiduciary net position – Detailed information about the pension plan's fiduciary net position is available in the separately issued CalPERS financial report.

E. Other Post- Employment Benefits

Plan Description

The City administers the City's retired employee's healthcare plan, a single employer defined benefit health care plan. The plan provides medical benefits to eligible retired employees and their beneficiaries. The City's plan is affiliated with the State of California PERS in so much as the City's health insurance premium payments are paid to the PERS. The PERS through an aggregation of single employer plans pools administrative functions in regard to purchases of commercial health insurance policies and coverage. City resolutions and regulations assign the authority to establish and amend benefit provisions to the City. No assets are accumulated in a trust that meets the criteria in paragraph 4 of GASB statement Number 75.

The City participates in this State Health Insurance Pool (City resolutions 1839, 1840, 1841, May 22, 1989) administered by the California Public Employees Retirement System (CalPERS). Member agencies participating in the State Pool are subject to regulations of the Public Employees Medical and Hospital Care Act (PEMHCA) which requires that member agencies provide lifetime health benefits for retirees. California Government Code Section 22892 of the PEMHCA establishes the contracting agencies minimum health premium contribution for their participating active membership and requires that the employer contribution be an equal amount for retirees. The minimum employer contribution is currently \$105 monthly. Further, the City extends additional health insurance benefits to retirees (Resolutions numbers 1496 and 3063) that were employed on June 30, 1988 and who retire from the City after 20 years of qualified service. This benefit provides retirees with single-coverage HMO insurance through the City's insurance program at City expense.

City of Carpinteria
Notes to Basic Financial Statements
For the Fiscal Year Ended June 30, 2021

NOTE 4 – OTHER INFORMATION, Continued

E. Other Post- Employment Benefits

Benefits Provided

The City's OPEB plan provides healthcare benefits to eligible retirees and their dependents. Benefits are provided through third party insurers, and the full cost of the benefits is provided by the Plan.

Employees Covered by the Benefit Terms

At June 30, 2021, the following employees were covered by the benefit terms:

Active plan members	32
Inactive plan members or beneficiaries currently receiving benefits	12
Inactive plan members entitled to but not yet receiving benefits	9
Total	<u>53</u>

The City's OPEB Plan is closed to new entrants.

Contributions

City regulations grant authority to the City Council to establish and amend contribution requirements. Employees are not required to contribute to the plan. For the fiscal year ending June 30, 2021, the City's average contribution rate was 2.5 percent of covered employee payroll. The amount contributed for fiscal 2021 was \$66,500.

Total OPEB Liability

The City's Total OPEB liability was measured as of June 30, 2020 and the total OPEB liability used to calculate the OPEB liability was determined by an actuarial valuation as of June 30, 2019, rolled forward to June 30, 2020.

Actuarial Assumptions

The total OPEB liability in the June 30, 2021 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement unless otherwise specified:

Inflation	2.75%
Salary increases	2.75%
Discount rate	2.21%
Healthcare cost trend rate	Non-Medicare 7.25 percent for 2021 decreasing to an ultimate rate of 4 percent in 2076. Medicare 6.3% for 2021 decreasing to 4 percent in 2076. PEMHCA minimum increase 4.25 percent annually.

City of Carpinteria
Notes to Basic Financial Statements
For the Fiscal Year Ended June 30, 2021

NOTE 4 – OTHER INFORMATION, Continued

E. Other Post-Employment Benefits

Mortality rates were based on the MP-2018 Health Annuitant Mortality Table for Males and Females, as appropriate, with adjustments for mortality improvements based on Scale AA. The actuarial assumptions used in the June 30, 2020 valuation were based on the results of CalPERS experience study for the period 1997-2015.

Change of Assumptions: The change in assumptions reflect a discount change of 3.50% in 2020 to 2.21% in 2021.

Changes in the Total OPEB Liability

	Total OPEB Liability
Balance at June 30, 2020 (Valuation Date June 30, 2019)	<u>\$ 1,641,483</u>
Changes recognized for the measurement period:	
Service cost	74,852
Interest	58,908
Assumption changes	(7,514)
Benefit payments	<u>(66,500)</u>
Net Changes	59,746
Balance at June 30, 2021 (Measurement Date June 30, 2020)	<u><u>\$ 1,701,229</u></u>

Sensitivity of the Total OPEB Liability to changes in the discount rate and health-care cost trend rates – The following presents the Total OPEB liability of the City, as well as what the City's Total OPEB liability would be if it were calculated using a discount rate that is 1 percentage point lower (1.21 percent) or 1 percentage point higher (3.21 percent) than the current discount rate:

	<u>1% Decrease</u> <u>1.21%</u>	<u>Discount Rate</u> <u>2.21%</u>	<u>1% Increase</u> <u>3.21%</u>
OPEB Liability	\$ 1,964,524	\$ 1,701,229	\$ 1,488,722

Sensitivity of the Total OPEB liability to changes in healthcare cost trend rates:

	<u>1% Decrease</u>	<u>Trend Rate</u>	<u>1% Increase</u>
OPEB Liability	\$ 1,485,081	\$ 1,701,229	\$ 1,972,863

NOTE 4 – OTHER INFORMATION, Continued

E. Other Post-Employment Benefits, Continued

OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB – For the fiscal year ended June 30, 2021, the City recognized OPEB expense of \$(35,399). At June 30, 2021, the City reported deferred outflows of resources and deferred inflows of resources related to the Total OPEB liability from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ -	\$ 559,771
Change of assumptions	314,754	390,751
Employer contributions subsequent to the measurement date	65,880	-
	\$ 380,634	\$ 950,522

Amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in OPEB expense as follows:

Fiscal Year Ending June 30,	Amount
2022	\$ (162,852)
2023	(162,852)
2024	(151,401)
2025	(123,698)
2026	(34,282)
Thereafter	(683)
	\$ (635,768)

Payable to the OPEB Plan: None

NOTE 5 – PRIOR PERIOD ADJUSTMENT

A prior period adjustment in the amount of \$257,268 was made to adjust the beginning balance of the pension stabilization account to its actual balance.

A prior period adjustment in the amount of \$329,359 to adjust fixed assets.

NOTE 6 – NEGATIVE FUND BALANCES

The Park Maintenance Fund and Right of Way Fund had negative fund balances of \$(53,241) and \$(12,572), respectively, due to spending for these specific purposes. The negative fund balances will be offset by future revenues and transfers from the general fund, as needed.

Notes to Schedule:

Changes in assumptions

In 2018, inflation was changed from 2.75% to 2.50% and individual salary increases and overall payroll growth were reduced from 3.00% to 2.75%.

In 2017, as part of the Asset Liability Management review cycle, the discount rate was changed from 7.65% to 7.15%.

In 2016, the discount rate was changed from 7.5% (net of administrative expense) to 7.65% to correct for an adjustment to exclude administrative expense.

In 2015, amounts reported as changes in assumptions resulted primarily from adjustments to expected retirement ages of general employees.

* Fiscal year 2015 was the 1st year of implementation, therefore only seven years are shown.

Notes to Schedule

Valuation Date: 6/30/2018

The actuarial methods and assumptions used to set the actuarially determined contributions for fiscal year 2018/2019 were derived from the June 30, 2018 funding valuation report.

Actuarial Cost Method Entry Age Normal

Amortization Method/Period For details, see June 30, 2016 funding valuation report.

Inflation 2.50%

Salary Increases Varies by entry age and service

Payroll Growth 3.00%

Investment Rate of Return 7.0% net of pension plan investment and administrative expenses; includes inflation.

Retirement Age The probabilities of retirement are based on the 2010 CalPERS Experience Study for the period from 1997 to 2007.

Mortality The probabilities of mortality are based on the 2010 CalPERS Experience Study for the period from 1997 to 2007. Pre-retirement and post-retirement mortality rates include 5 years of projected mortality improvement using Scale AA published by the Society of Actuaries.

* Fiscal year 2015 was the 1st year of implementation, therefore only seven years are shown.

CITY OF CARPINTERIA

SCHEDULE OF CHANGES IN THE OPEB LIABILITY AND RELATED RATIOS

Last 10 Years*

AS OF JUNE 30, 2021

Measurement Period	2021	2020	2019	2018
Total OPEB Liability				
Service cost	\$ 74,852	\$ 66,976	\$ 193,627	\$ 217,554
Interest on the total OPEB liability	58,908	59,388	87,075	71,293
Difference between expected and actual experience		-	(498,532)	-
Changes in assumptions	(7,514)	79,004	(483,898)	(262,330)
Changes in benefit terms		-	-	-
Benefit payments	(66,500)	(62,984)	(75,620)	(68,028)
Net change in total OPEB Liability	\$ 59,746	\$ 142,384	\$ (777,348)	\$ (41,511)
Total OPEB liability- beginning	1,641,483	1,499,099	2,276,447	2,317,958
Total OPEB liability- ending (a)	\$ 1,701,229	\$ 1,641,483	\$ 1,499,099	\$ 2,276,447
 Covered payroll	 \$ 2,660,837	 \$ 2,638,133	 \$ 2,733,208	 \$ 2,763,313
 Total OPEB liability as a percentage of covered payroll	 63.94%	 62.22%	 54.85%	 82.38%

* Fiscal year 2018 was the 1st year of implementation, therefore four years is shown.

CITY OF CARPINTERIA

SCHEDULE OF OPEB CONTRIBUTIONS

Last 10 Years*

AS OF JUNE 30, 2021

As of June 30, 2021, the plan is not administered through a qualified trust. Therefore there is no Actuarially Determined Contribution (ADC). Benefit payments of \$66,500 were made on a pay-as-you-go-basis for the fiscal year ended June 30, 2021.

As of June 30, 2020, the plan is not administered through a qualified trust. Therefore there is no Actuarially Determined Contribution (ADC). Benefit payments of \$62,984 were made on a pay-as-you-go-basis for the fiscal year ended June 30, 2020.

As of June 30, 2019, the plan is not administered through a qualified trust. Therefore there is no Actuarially Determined Contribution (ADC). Benefit payments of \$75,620 were made on a pay-as-you-go-basis for the fiscal year ended June 30, 2019.

As of June 30, 2018, the plan is not administered through a qualified trust. Therefore there is no Actuarially Determined Contribution (ADC). Benefit payments of \$68,028 were made on a pay-as-you-go basis for the fiscal year ended June 30, 2018.

* Fiscal year 2018 was the 1st year of implementation, therefore four years is shown.

NON-MAJOR GOVERNMENTAL FUNDS

The City has established the following governmental funds in order to account for the proceeds from revenue sources that are restricted to expenditures for specified purposes, debt service, and capital projects. Budgets are prepared using the modified accrual basis of accounting consistent with U.S. generally accepted accounting principles.

Special Revenue Funds:

Traffic Safety Fund - The Traffic Safety Fund is used to account for the receipt of fines assessed to violators of the California Vehicle Code within the City limits. Monies from this fund must be used for traffic safety purposes such as traffic signs and markings and related traffic safety enforcement activities

Road Maintenance Rehab Fund - The Road Maintenance Fund is used to account for road maintenance and rehabilitation, safety projects, railroad grade separations, traffic control devices, and complete street components, including active transportation purposes, pedestrian and bicycle safety projects, transit facilities, and drainage and storm water capture projects in conjunction with any other allowable project. Funds made available by the program may also be used to satisfy a match requirement in order to obtain State or Federal funds for projects authorized by this subdivision.

Park Maintenance Fund - The Park Maintenance Fund is used to account for the receipt of special tax to be levied. The revenue from this fund are collected based upon authority of a public vote held on June 3, 1997 whereby over two-thirds of the voters approved. Expenditures from this fund are for parks maintenance needs including equipment replacement, water, grounds keeping and other enhancements.

Gas Tax Fund - The Gas Tax Fund is used to account for State Gas Tax Funds received as the City's share of the state-wide tax on gasoline and other motor vehicle fuels. Gas Tax Funds may only be used for construction, reconstruction and maintenance of public streets, drains and other right of way expenses, including labor costs

Local Transportation Fund - The Local Transportation Fund is used to account for the City's share of the State Sales Tax on motor vehicle fuels. Revenues from this source must be used for maintenance of bikeways and are administered by the Santa Barbara County Association of Governments.

Tidelands Trust Fund - The Tidelands Trust Fund is used to account for revenues received from the City's offshore tidelands which were granted in trust to the City by the State. In addition to interest earnings, revenues are also derived from annual lease payments from oil company off-shore pipelines and the pier as well as a share of state royalty payments which are authorized to public agencies maintaining public recreational beaches fronting a producing oil field. These monies may only be used for beach related purposes.

Street Lighting Fund - The Street Lighting Fund is used to account for the Street Lighting District #1 that is officially an independent special district governed by the City Council and is included within the City's overall budget for convenience. District revenues are derived from the district's share of the advalorem tax pursuant to Proposition 13 in addition to interest earnings and state assistance. Moneys from this fund may be expended on street lighting, parking lot lighting and other public lighting operations, maintenance and capital improvements.

NON-MAJOR GOVERNMENTAL FUNDS

Special Revenue Funds:

Right of Way Assessment District Fund - The R-O-W Assessment District Fund is used to account for the special right-of-way assessment placed on all eligible properties throughout the City. Revenues for this fund are the individual assessments plus interest earned. Expenditures from this fund must be used only for repairs and improvements to curves, gutters, sidewalks and other right-of-way improvements plus operation and maintenance of the City's street tree program.

Parking and Business Improvement Area Fund - The Parking and Business Improvement Area Fund is used to account funds collected and expended pursuant to the California Parking and Business Improvement Area Law of 1989. Businesses are assessed for business improvement and promotion activities. Certain businesses are assessed an additional amount to assist in payment of annual obligations to finance the construction of these parking lots.

AB 939 Fund - The AB 939 Fund is used to account for fees paid by the solid waste collection franchisee for implementation of the City's integrated solid waste management program. The authority for the collection of such fees is the Integrated Waste Management Act of 1989 (State Assembly Bill 939). In addition to the general administration of the City's solid waste program, funds are also used to finance special hazardous waste collection day.

Measure D Fund - The Measure D Fund is used to account Measure "D" funds, the county wide sales tax on motor vehicle fuel which was approved by the voters of the County. The program is administered by the Santa Barbara County Association of Governments. Funds under this program must be used for local transit, street and right-of-way maintenance and improvements and street related capital improvements pursuant to the City-adopted Five Year Program of Projects which is updated and reviewed annually.

Recreation Services Fund - The Recreation Services Fund is used to account for the Community Pool, The City's recreational programming, the revenues and expenses of the Veteran's Memorial Building are all included in this fund. Revenues into this fund include user fees from the various programming as well as a general fund subsidy. Expenses are all associated with facilities and programming incorporated in this fund.

Housing Fund - The Housing Fund is used to account for the Workforce Homebuyers Down Payment Loan Program to expand homeownership opportunities in the City.

Peg Fee Fund - The Public, Education, Government (PEG) Fund is used to account for fees to be used for cable television programming.

STATISTICAL SECTION

CITY OF CARPINTERIA

STATISTICAL SECTION

FOR THE FISCAL YEAR ENDING JUNE 30, 2021

This part of the City of Carpinteria's comprehensive annual financial report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information reveals about the City's overall financial health.

Contents

Financial Trends 95

These schedules contain trend information to help the reader understand how the City's financial performance and well-being have changed over time.

Revenue Capacity 101

These schedules contain information to help the reader assess the factors affecting the City's ability to generate its property and sales taxes.

Debt Capacity 107

These schedules present information to help assess the affordability of the City's current levels of outstanding debt and the City's ability to issue additional debt in the future.

Demographic and Economic Information 112

These schedules offer demographic and economic indicators to help understand the environment within which the City's financial activities take place.

Operating Information 114

These schedules contain information about the City's operations and resources to help the reader understand how the City's financial information relates to the services the City provides and the activities it performs.

Notes:

1) Property in Santa Barbara County is assessed at market value in the year in which the property is exchanged pursuant to a sale. In years thereafter, the assessed value is increased by one percent as required by state law. Based upon the frequency of property exchanges, assessed value is estimated to be about 40 percent of actual value for real property and about 70 percent for personal property. Estimated actual value is calculated by dividing assessed value by those percentages. Tax rates are per \$100 of assessed values.

2) In 1978, the voters of the State of California passed Proposition 13, which limited property taxes to a total maximum rate of 1% based upon the assessed value of the property being taxed. Each year, the assessed value of property may be increased by an "inflation factor" (limited to a maximum increase of 2%). With few exceptions, property is only reassessed at a time that it is sold to a new owner. At that point, the assessed value is reassessed at the purchase price of the property sold. The assessed valuation data shown above represents the only data currently available with respect to the actual market value of taxable property and is subject to the limitations described above. The County does not provide breakout of residential, commercial and industrial assessed values to the cities.

2021	1.00%	0.00%	0.05151%	0.00%	1.0515%

Note: In 1978, California voters passed Proposition 13 which sets the property tax rate at a 1% fixed amount. This 1% is shared by all taxing agencies for which the subject property resides within. In addition to the 1% fixed amount, property owners are charged taxes as a percentage of assessed property values for the payment of school and water district bonds.

Debt limit (3.75% of assessed value)	99,603,541
Less debt applicable to limit:	
General obligation bonds	-
Total debt applicable to limit	-
Legal debt margin	\$ 99,603,541

Note: The Government Code of the State of California provides for a legal debt limit of 15% of gross assessed valuation. However, this provision was enacted when assessed valuation was based upon 25% of market value. Effective with the 1981/82 fiscal year, each parcel is now assessed at 100% of market value (as of the most recent change in ownership for that parcel). The computations shown above reflect a conversion and assessed valuation data for each fiscal year from the current full valuation perspective to the 25% level that was in effect at the time that the legal debt margin was enacted by the State of California for local governments located within the state.
