WHAT THE PROS ARE CRUSHING ON

Looking for something fresh to sip? We asked local wine professionals to tell us a bit about one of their faves.

Carpinteria Wine Company

2018 GROUNDWORK WINE COMPANY SANTA BARBARA COUNTY SYRAH

"From winemaker Curt Schalchlin, this cool-climate Syrah has a nice balance of dark berries and pepper that would complement a hearty beef stew. My husband and I enjoy this with a steak from the barbecue. This Rhone wine is produced from two sites in Santa Barbara County and is another great value from the Groundworks lineup."

ORMEASCO DI PORNASSIO

"Grown and harvested in a small village outside of Piedmont, Italy, this wine is pure elegance. After tasting it and learning the history of the land and the family that made the wine, it became a stand-out for me. Made with the delicate dolcetto grape, also known as 'little sweet one,' this wine always leaves me wanting to know more about the terroir—and wanting another glass."

REPUBLIC OF PINK ROSÉ

"What can I say about Republic of Pink Rosé? It checks so many boxes for me: pairs well with almost anything, it's crisp and refreshing, the color is gorgeous and the piece de resistance? The label! It's fun, flirty and a crowd pleaser. Rosé is an easy varietal to please most palates. I always have a bottle ready to go in my fridge!" **\$10/glass • \$20.99/bottle**

TENDU MATARÓ FROM DUNNIGAN HILLS

"The Tendu Mataró from Dunnigan Hills is a fantastic light chilled red that I enjoyed all summer. The ABV is just over 10%, which has been nice to be able to have more than one glass and not feel done for the night. Tendu is one of the few reds I would recommend/ drink on a sunny afternoon on the patio." **\$10/glass • \$25/bottle**
