## **City of Carpinteria Kicks off Active Adult & Senior Programming at Girls Inc. on March 14**

The City of Carpinteria is excited to announce the kick-off of its Active Adult & Senior Services Programming on Tuesday, March 14 at Girls Inc. of Carpinteria, 5315 Foothill Road. On a temporary basis, Girls Inc. will host programming on Tuesdays and Thursdays from 9:30 a.m. to noon. Community members are invited to share a cup of coffee and snacks with other attendees while learning about existing activities and resources for seniors around town. Additionally, participants can help to shape the future of senior services in the City by sharing their feedback on various options the City is considering for a permanent Active Adult & Senior hub.

These efforts have been driven by the Carpinteria City Council's Ad Hoc Senior Services Planning Committee, consisting of councilmembers Roy Lee and Mónica Solórzano, as well as an engaged and energetic working group of seniors and community stakeholders. While the Committee continues to pursue plans for a permanent Active Adult & Senior hub, they are grateful to Girls Inc. Executive Director Jamie Collins for generously facilitating temporary programming at the beautiful, and recently renovated, Girls Inc. campus.

The City encourages residents to visit [carpinteriaca.gov/seniors](http://carpinteriaca.gov/seniors) for more details about active adult and senior programming.
