Welcome to Carpinteria!

Charming seaside Carpinteria is sunny 275 days of the year! Residents and visitors love Carpinteria's outdoor and beach activities like swimming, skateboarding, surfing at Rincon Point, exploring its three miles of coastline, and seal watching. This gem of a city boasts diverse shopping and dining opportunities, as well as the popular California Avocado Festival.

About Carpinteria

La Carpinteria, or "The Carpenter Shop," was first used by the Gaspar de Portola Exhibition in 1769 during its exploration of the California coast. When the soldiers came through the area, they observed the Chumash Indians building wooden plank canoes, "tomols," in the area.
